NEW! SHOPPING CART

Browse products and make purchases, share products with customers quickly and easily, and create orders on the spot!

ENROLLMENT

For IBOs and Members, enroll your prospects in five easy steps:

5 easy steps

1. Fill in your personal information.
2. Order your Starter Pack.
3. Select your Autoship.
4. Select your upline placement.
5. Review your order.

SMART ALERTS

Get notified on the spot of important personal and team issues.

PRODUCT INFORMATION AND NUTRITION FACTS

Search by individual products or product categories. Customers have access to product information such as product description, recommended use, and supplement facts.

VOLUMES AND COMMISSIONS

See personal and team volumes as well as statistics, commissions and team member information. Reinforce your brand, build relationships, increase visibility, and generate repeat business.

Connect, inform and succeed with the Genesis PURE Mobile Back Office app. It's your on-the-go office that is on-the-spot exciting! Now available for download at:
