

Superfruit Jello

Try this delicious jello recipe for a fun way to get your daily serving of superfruit juice. Experiment with different ratios and types of fruit juice and super fruit juice. We found that 1 cup Goji and $\frac{3}{4}$ cup apple juice work well. $\frac{3}{4}$ cup Acai and 1 cup grape juice are also good compliments. Be advised that in all our experiments, Mangosteen did not set up so you may wish to avoid using this superfruit as well as the Fusion.
